

Dear Friends,

We regret to inform you that due to the dangerous new strain of COVID and due to the fact that we have four positive cases inside the ashram, we are **CLOSING DOWN SABDA** until the 30<sup>th</sup> of April 2021. There will be no service at the ashram gate either telephonically or through Email.

We will be celebrating the 24<sup>th</sup> April darshan day online and will send you the programme in due course.

Praying for The Mother's Grace and Protection for all.
